OFFICE OF PETITIONS

DECISION ON PETITION

In re Patent No. 6,882,878
Issue Date: 19 April, 2005
Application No. 10/736,189
Filed: 15 December, 2003
Attorney Docket No. 6096

This is a decision on the petition filed on 29 January, 2010, properly treated as a petition pursuant to 37 C.F.R. §1.378(c) to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

NOTE: *The address on the petition is different than that of record.*

If Petitioner desires to receive future correspondence regarding this application, the appropriate Notice must be submitted.

A courtesy copy of this decision will be mailed to Petitioner.

However, all future correspondence will be directed to the address of record until such time as appropriate instructions are received to the contrary. (Forms enclosed.)

The fees appear to have been submitted by the named inventor/patentee—there appears to be no assignee of record.

BACKGROUND

Patent No. 6,882,878 (the '878 patent) issued on 19 April, 2005. The first maintenance fee could have been paid during the period from 19 April, 2008, through midnight 19 October, 2008, or, with a surcharge, during the period from 20 October, 2008, through midnight 19 October 2009. Accordingly, the patent expired after midnight 19 October, 2009, for failure to pay timely the first maintenance fee.

Patent No. 6,882,878
Application No. 10/736,189

The instant petition was filed on 29 January, 2010. Because the petition was submitted within twenty-four (24) months after the six- (6-) month grace period provided in 37 C.F.R. §1.362(e), the petition was timely filed under the provisions of 37 C.F.R. §1.378(c).

The petition pursuant to 37 C.F.R. §1.378(c) is **GRANTED**.

The maintenance fee is hereby accepted—the appropriate fees were submitted *via* check—and the above-identified patent is reinstated as of the mail date of this decision.

The patent file is being returned to IFW Files Repository.

Telephone inquiries regarding this decision may be directed to the undersigned at (571) 272-3214—it is noted, however, that all practice before the Office is in writing (see: 37 C.F.R. §1.2¹) and the proper authority for action on any matter in this regard are the statutes (35 U.S.C.), regulations (37 C.F.R.) and the commentary on policy (MPEP). Therefore, no telephone discussion may be controlling or considered authority for Petitioner's action(s).

¹ The regulations at 37 C.F.R. §1.2 provide:

§1.2 Business to be transacted in writing.

All business with the Patent and Trademark Office should be transacted in writing. The personal attendance of applicants or their attorneys or agents at the Patent and Trademark Office is unnecessary. The action of the Patent and Trademark Office will be based exclusively on the written record in the Office. No attention will be paid to any alleged oral promise, stipulation, or understanding in relation to which there is disagreement or doubt.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

Privacy Act Statement

The **Privacy Act of 1974 (P.L. 93-579)** requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.
